## Lighthouse Writers Workshop's 14th Annual Lit Fest

Join us for a two-week celebration of literature as we welcome an all-new lineup of poets, novelists, memoirists, nonfiction writers, and more for workshops, salons, parties, and seminars June 7-21.

You can apply now for advanced workshops with the authors pictured below. Head to [lighthousewriters.org](http://lighthousewriters.org) for workshop descriptions and more information.

## Apply to the Lit Fest Fellowship for Emerging Writers

This fellowship covers the cost of tuition for an advanced workshop. We're awarding four fellowships to advanced writers of fiction, poetry, dramatic writing, and creative nonfiction. Fellowships will only be awarded to those who have not yet published a book-length work and would otherwise be unable to afford a weeklong or weekend workshop. We'll also be awarding one Veterans Writing Award, covering the cost of tuition and travel for combat veterans.
