This three-day event features notable speakers, engaging attendee-led sessions in three tracks, interactive panels with publishing professionals, readings, social activities, networking opps, readings, and optional, intimate pre- and post-conference workshops.

We can’t wait to welcome you to Lancaster, Pa., a city rich in history, arts and culture. Expect to learn a lot and return home with a notebook and brain full of ideas!

Registration includes access to all main conference activities, opening receptions, meals and snacks, knowledge and memories!

#hippocamp15

EARLY BIRD REGISTRATION ENDS MAY 15, 2015
The hippocampus is the squishy seahorse-shaped region of the brain where memories are formed. Your hippocampus likely has created some good stuff. Stuff too good not to share. And that’s why we’re here.

To publish your creative nonfiction.
