

write.as

Simple web publishing tools for writers.

Write More with Write.as

Enjoy a clean space for writing and publishing on the web. Share an essay, [create a newsletter](#), or build a minimalist blog ([like this one](#)) with minimal setup involved.

Gather Submissions with Submit.as

Literary magazines, teachers, and libraries can collect, review, and publish writing submissions with [Submit.as](#). Writers enjoy a signup-free submission process, and editors can seamlessly publish to their blog or online magazine through our built-in integrations.

write.as

A minimalist blogging platform made just for writers. Spend more time writing and less time managing your blog.
