

SIXTEEN RIVERS PRESS

Annual Call for Submissions for Book-Length Poetry Manuscripts

We invite Northern California authors to submit book-length poetry manuscripts. All manuscripts will be read blind. Sixteen Rivers values diversity. We encourage poets of color, young poets, and LGBTQ writers to submit. Sixteen Rivers Press is a shared-work collective, with a three-year commitment. PDF email submissions from November 1, 2022 to February 1, 2023. See complete guidelines on our website.
