

A magazine for teen writers—by teen writers.

Whether you live in Berlin, NH, or Berlin, Germany—whether you wake up every day in Africa, Asia, Australia, Europe, North or South America—we want to read you! We publish poetry, short stories, and creative nonfiction from writers ages 13–19 from around the world. We accept submissions in English and welcome translations of original work into English from teens.

GENERAL SUBMISSIONS: We're reading for Issue 6 (Winter 2024). Submissions close on December 1. See our website, "Submit tab," for how to send work.
