OVERVIEW

Our Winter Online Workshops offer participants a unique opportunity to learn from three different faculty members in the same genre over six weeks. The workshops meet for two hours every Saturday from 2:00–4:00 pm ET starting January 20, 2024 (no meeting on February 10 due to AWP). Our online workshops are generative, and the focus is on creating new work.

Each Saturday begins at 1:30 pm ET with a 30-minute faculty reading for all winter online workshop participants, and workshops begin immediately after at 2:00 pm ET. Participants also benefit from an individual meeting with an instructor to discuss workshop prompts and other writing projects.

Enjoy the rigor and inspiration of being in community with three acclaimed writers and a small cohort of other workshop participants.
